# KENTUCKY NATIONAL GREAT TEACHERS SEMINAR

The Kentucky National Great Teachers Seminar is a high-energy, summer event that brings teachers together from across North America to learn from each other and exchange teaching innovations and solutions to instructional problems.

## WHAT TO EXPECT...

- Special interests and topics identified by the participants will be the focus of group discussion(s).
- Innovative professional learning opportunity where teachers share and help each other find the great teacher in themselves.
- With no experts or keynote speakers, the seminar is based on the principle that teachers are the experts in teaching and learn best from one another.
- Participants prepare for the seminar by selecting an instructional success as well as an unresolved teaching problem they face in their classrooms.
